PLEASE remember – PLEASE research before you vote on October 6th – it's important – it's about our work – our jobs!

Do you remember the Mike Harris and Ernie Eves Governments

Bill 160 – “The Fewer Boards Act” – a sweeping piece of legislation that forced School Board amalgamations across the Province and also included the introduction of the “Funding Formula”.

The “**Funding Formula**” brought school board funding under the umbrella of the Ministry of Education and tied all funding to student enrollment; defined classroom and non classroom budget lines resulting in significant cuts to funding for support staff positions

Please ensure you make an informed decision – vote. Promised tax cuts need to be paid for somehow – not good news for our jobs – our schools, our hospitals, our communities.
