- \* 06-07 Worksite Representatives – A warm and hearty thank to our Health & Safety Worksite Representatives. As an employer and as “bargaining agents” – TLDSB, CUPE 997, TLETL and OSSTF are legally mandated to ensure all worksites have a Worker Representative and a portion of the worksite is inspected on a monthly basis.

The “worksite representative” is the representative of all workers in the building and the primary role is to ensure a portion of the worksite is inspected on a monthly basis. The Worksite Representatives are not responsible for “policing” Health & Safety issues; the role is to identify and to report on the appropriate form(s).

There is a “Procedure” for the completion of the Monthly Inspections, including a form to be submitted to the Joint Health & Safety Committee Member assigned to the worksite and to Susan Kirkpatrick at the Lindsay Board Office which may be accessed on TLDSB’s First Class or contact the CUPE 997 Office.
