INJURED WORKERS CONFERENCE REPORT

September 30 – October 3, 2010 - Toronto

**Presented At
REGULAR GENERAL MEETING
SATURDAY, OCTOBER 16, 2010**

CUPE Ontario President, Fred Hahn welcomed delegates and spoke about the importance of Health and Safety in the workplace, protection and support for injured workers and the need to continue to keep the pressure on the government for a safe working environment for all.

The Conference hosted a variety of guest speakers including staff from WSIB, and the Ministry of Labour. There was plenty of time built in for questions and answers, and workshops pertaining to Return to Work, Duty to Accommodate, Bill 168, and the Ontario Human Rights Code.

I look forward to applying the information learned to assist our members.
